The Archbishop asked the King.  
“WILL you to the utmost of your power maintain the Laws of God and the true profession of the Gospel? Will you to the utmost of your power maintain in the United Kingdom the Protestant Reformed Religion established by law? Will you maintain and preserve inviolably the settlement of the Church of England, and the doctrine, worship, discipline, and government thereof, as by law established in England? And will you preserve unto the Bishops and Clergy of England, and to the Churches there committed to their charge, all such rights and privileges as by law do or shall appertain to them or any of them? ”

After signing copies of the Oaths, the King knelt before the Altar and prayed that.

“GOD of compassion and mercy whose Son was sent not to be served but to serve, give grace that I may find in thy service perfect freedom and in that freedom knowledge of thy truth. Grant that I may be a blessing to all thy children, of every faith and belief, that together we may discover the ways of gentleness and be led into the paths of peace; through Jesus Christ our Lord. # Supremacy of the Idol and Rule of Law

## Foundation of CCP China

In the biography of Mao Zedong entitled “The Falling of the Red Sun” written by my father, he wrote in a chapter called “the Communist Hell”: “According to expert statistics, in the 2,129 years before the Chinese Communist Party came to power in 1949, there were a total of 203 major climate disasters that killed more than 10,000 people, killing more than 29,910,000 people. The total number of people who starved to death during Mao Zedong's three-year Great Leap Forward period (i.e. 1959 to 1962) was 37,558,000, which was 7.64 million more than the entire population that died of natural disasters in China over the past 2,000 years.

This is not a mistake in individual policies, but a mistake in the fundamental theory, a mistake in the fundamental line, and a mistake in the fundamental path. The so-called theory, line, and path of “conversion of private agriculture economy into “agricultural co-operatives” or “agricultural communes” is utopian socialism, which can neither bring prosperity nor equality. They are the main source of great disasters and should be completely rejected

When the government replaced the Supremacy of God and the Rule of Law with the supremacy of Idol and the rule of law in Canada

The state declared public order emergency under the Emergencies Act (the Act) to suppress peaceful demonstration of citizen On February 14, 2022, and violated the fundamental freedoms and rights of citizen in the name of public order, public safety or public interest at its own discretion.

When the government replaced the Supremacy of God and the Rule of Law with the supremacy of Idol and the rule of law in Canada

On Jan. 29, 2022, a trucker convoy headed down to the Coutts, Alta., border crossing with the U.S. to protest the COVID-19 vaccine mandates the Trudeau government had put in place. The protest turned into a full-scale blockade that lasted 17 days. Two of the protest leaders, Chris Lysak and Jerry Morin, were arrested and charged with conspiracy to commit murder and mischief, accusations that were hard to credit given the context of the event. They remained in custody for 723 days, during 74 of which Morin was in solitary confinement. Finally, after their lawyer filed a Charter of Rights application to examine the case, the Crown suddenly accepted a plea deal on minor firearms charges. They were released early last month

When the government replaced the  
Supremacy of God and the Rule of Law  
with the supremacy of Idol and the rule  
of law in Canada

- Chris Carbert of Lethbridge and Anthony Olienick of Clareshom refused to plea guilty
- made to wear leg irons when entering and exiting the courtroom
- are being held in custody in remand at the Lethbridge Correctional Centre.
- Contrast this with the recent case of a mother and her child fatally stabbed in a horrific random attack outside an Edmonton school. Despite a long history of violence, [the accused killer](#) had been released on bail 18 days before their murders

When the judges replaced the Supremacy of God and the Rule of Law with the supremacy of Idol and the rule of law in Canada

The Supreme Court of Canada effectively declared that a mother has the right to determine the life or death of another newly created life in her body. *R. v. Morgentaler*, 1988

A judge of the Supreme Court of Canada even believed and wrote in court decision that it was unfortunate and engendered confusion for the trial judge to use the words “a woman”. She believed that the correct words should be “a person with a vagina.” *R. v. Kruk*, 2024 SCC 7

LAW SOCIETY  
*of* ALBERTA

When the Law Society of Alberta replaced the Supremacy of God and the Rule of Law with the supremacy of Idol and the rule of law in Alberta

The Law Society of Alberta adopted regulatory objectives outside the jurisdiction of law and used the supremacy of public interest as the excuse to compel more than 10,000 Alberta lawyers to receive indigenous cultural competence training in 2022.

## THE PATH

- Not based on truth

- Steven Harper government in 2008 in reconciliation with First Nations and the billions of dollars that Canada government paid to First Nations for reconciliation

When the Law Society of Alberta replaced the Supremacy of God and the Rule of Law with the supremacy of Idol and the rule of law in Alberta

In its public announcement of April 2022, Law Society of Alberta relied on anonymous survey and evidence not admissible in court, demonized the current judicial system and the legal profession of Canada, which has been built upon the supremacy of God and rule of law, and declared that the judicial system and legal profession exercised systemic discrimination against people based on age, culture, disability, gender, race, religion, sexual orientation, and/or socio-economic status

When the Law Society of Alberta replaced the Supremacy of God and the Rule of Law with the supremacy of Idol and the rule of law in Alberta

Law Society of Alberta imposed political profile on lawyers since 2023

- Compelled more than 10,000 Alberta lawyers to adopt the Professional Development Profile including cultural competence of EDI
- Forced all lawyers to use the political profile of LSA as the guideline and CPD tool to develop and submit a CPD plan
- Suspended 68 Alberta lawyer for not submitting the CPD plan by prescribed deadline in 2023

When the Law Society of Alberta replaced the Supremacy of God and the Rule of Law with the supremacy of Idol and the rule of law in Alberta

Law Society of Alberta made rules outside its jurisdiction under the Legal Profession Act, and effectively declared the supremacy of the Benchers or its Executive Director in regulating lawyers' education in a form and manner, as well as time frame only acceptable to the law society.

- R 67.4 – power of LSA to impose cultural competence training on lawyers in the form and manner acceptable to the Benchers only
- under the penalty of automatic suspension of lawyer's license to practice
- in the name of public interest
- But violated the independence of the members of the bar

When the Law Society of Alberta replaced the Supremacy of God and the Rule of Law with the supremacy of Idol and the rule of law in Alberta

- Rs 67.2 & 67.3 – power of LSA to forced all lawyers to develop CPD plan in a form acceptable to the Executive Director only
- Forced lawyers to use the political profile of LSA as the guideline and CPD tool to develop and submit a CPD plan under the penalty of automatic suspension of lawyer's license to practice
- in the name of public interest
- but violated the independence of the members of the bar and the freedom of conscience and thoughts of lawyers

In response to the Law Society of Alberta replacing the Supremacy of God and the Rule of Law with the supremacy of Idol and the rule of law in Alberta

I spearheaded a petition to force a special meeting of lawyers in Alberta to eliminate the power of LSA to impose cultural competence education under Rule 67.4. The meeting was held February 6, 2023 and the motion was soundly defeated 2,609 to 864.

In response to the Law Society of Alberta replacing the Supremacy of God and the Rule of Law with the supremacy of Idol and the rule of law in Alberta

On July 17, 2023, I spearheaded a public petition letter to the Law Society of Alberta, the Premier of Alberta Danielle Smith and the Minister of Justice of Alberta with the signatures of 71 Canadian lawyers, professors, and citizens, complaining that the Law Society of Alberta's political objectives were a threat to the rule of law.

In response to the Law Society of Alberta replacing the Supremacy of God and the Rule of Law with the supremacy of Idol and the rule of law in Alberta

I eventually filed a public interest lawsuit against the Law Society of Alberta with the King's Court of Alberta on October 27, 2023

In my application supported by my affidavit with more than 900 pages of evidence and an expert report of Dr. Joanna Williams, I asked the court to grant an order and declare, among others, that the political agenda and the impugned rules and profile adopted by LSA are illegal and void.

Let us return to the

Canada

God have a new  
birth of freedom

the people, by the
